MARCH 1, 2024

SPOTLIGHT ON LEAP YEAR

The year 2024 is a leap year which occurs when the month of February has 29 days rather than the normal 28. The calculations that determined the need for adding leap days to the calendar was very complex and involved much more than just adding an extra day in February every four years with some exceptions.

Who came up with the concept of leap year? When Julius Caesar ruled the Roman Empire, it was discovered there were major drifts with the many different calendars used throughout the vast empire. In 46 BC, Caesar introduced the Julian calendar that was purely solar and counted a year at 365.25 days. To account for the extra 1/4 day, once every four years an extra day was added. But they still didn’t get it right because there were too many leap years.

The Julian calendar was used in the Western World until the late 16th century when Pope Gregory XIII felt another calendar was needed. The drift created by too many leap years was causing Easter to be later in the year over time. The pope was concerned that events related to Easter might bump up against pagan festivals, so he wanted Easter to remain in the spring. The solution was to eliminate some extra days accumulated with the Julian calendar and establish rules of when there should or shouldn’t be a leap year.

The pope and his advisors used complex math to give us the Gregorian Calendar in use today. It was determined that the Earth’s orbit around the sun is actually six hours longer than 365 days. Adding a leap day every four years made the calendar longer by more than 44 minutes. To remedy this, it was decreed that years divisible by 100 do not follow the four-year leap day rule, UNLESS they are also divisible by 400. Therefore, in the past 500 years there was no leap day in 1700, 1800 and 1900, but the year 2000 had one. Without these leap year exceptions, there would be an adverse impact on events such as planting crops and how the seasons align with the sun and moon. After a few hundred years, we would have summer in November and Christmas would be in summer.

How do those born on February 29 celebrate their birthdays? When filling out forms asking for a birthdate, most “leaplings” will use February 28 or March 1. Some governments require them to fill out forms declaring if their birthdate is to be on February 28 or March 1. In Anthony, Texas there is a celebration for those born on February 29.

There are Leap Year traditions such as February 29 being the day when women would “pop the marriage question” to men rather than the conventional method. In Greece, it is believed to be a bad omen to get engaged or married in a leap year. And in the United States since 1792, Presidential Elections are held every four years. All of these elections have been leap years except for 1800 and 1900.

COM MARCH 7 MEETING

We are pleased to announce that our featured speaker for the March COM Meeting will be Penny Lyons, Senior Program Manager for UniSource Energy Services. We will also welcome back Carrie Wolstal, BLM Law Enforcement Officer to speak about what is happening in her area of jurisdiction. And the Grand Marshals for the 2024 Boat the Lake Parade will be announced.

The meeting starts at 10:00 am and refreshments will be served at 9:45. Hope to see you all there.

LMRFD News

By Ellen Reh-Bower

(Any opinions expressed herein are the author's and are not necessarily shared by the LMRFD Board or its Management.)

DID YOU KNOW?

1. Your Lake Mohave Ranchos Fire District in Meadview has a functional station house with upgrades and repairs done regularly as funding allows, approved by the Board and accomplished by the Management of the LMRFD, and paid for by the taxpayers in the LMRFD.
2. You have functional fire apparatus and ambulance, upgraded regularly. You currently have LMRFD's newest fire engine and one of the newer ambulances in your station, provided by taxpayers in the LMRFD.
3. You have functional communications with a direct 911 connection to Kingman Dispatch, up to date radios and phone system, provided by taxpayers in the LMRFD.
4. You have functional management, qualified personnel, including a Fire Chief who cares, who supports and encourages volunteers, with training and educational resources available to participants, provided by taxpayers in the LMRFD.
5. You have 17-22 days of coverage with 1 person on duty. That is not enough, but it is more than your tax base supports, provided by taxpayers in the LMRFD.

WHAT DO YOU NEED? VOLUNTEERS!

Your once great volunteer force got old and retired. Also, due to government regulations implemented since 2008 there are stricter requirements on volunteers than previously. You can find those requirements on the LMRFD website, along with applications and other information. <https://www.lmrfd.org/> Fire Chief Tim Bonnee is very supportive of a volunteer force within the LMRFD, with regular trainings and opportunities for education and advancement for qualified individuals. **Dolan Springs currently has 5 fire volunteers. Meadview has 0.** That is a community effort that somebody in Meadview could organize to improve your service. Meadview would greatly benefit from a volunteer force within the community to utilize the support you receive from the taxpayers in the LMRFD.

Good day Meadview! While we are all waiting for warmer weather to return, it is the perfect time to research about the surrounding areas of Arizona that you may want to explore in the Spring. Hidden Arizona by Richard Harris is a wonderful guide to historic inns, scenic drives, and weekend getaways. Hiking Northern Arizona by Bruce Harris could inspire your next adventure. Come into the library and we can help you with any questions about these or other books.

We will have our Friends of the Library meeting on March 16 at 3p.m. and everyone is welcome to join us.

The library also offers internet, fax and printing services.

The library is open Tuesday, Thursday and Saturday from 10am-3pm.
Your Library Rep is Julia Kolvenbach.

ANTHONY'S SPORTS CORNER

March Madness is just around the corner. And one of my favorite sports events of the year is March 17, Selection Sunday. This is the day we find out what colleges make the top 68. The brackets to the Final Four are: First Four will be played on March 19-20. First Round will be March 21-22. Second Round will be March 23-24. Sweet 16 will be on March 28-29. The Elite Eight will be March 30-31. Final Four will be Saturday April 6 at the State Farm Stadium in Glendale, Arizona. Then the NCAA Championship Game will be Monday April 8. March Madness is always a fun time of the year. Be sure you stay tuned to see if your favorite College Men's Basketball Team makes the cut.

Caitlin Clark of the Iowa Women's Basketball team broke the record for the all time scoring in the NCAA Women's Basketball and she is only 98 points away from breaking the all time scoring record for both women's and men's basketball. She will definitely go to the pros either after this year or next. She does have one more year of eligibility playing for Iowa.

NASCAR is racing in Las Vegas on March 3 at the Las Vegas Motor Speedway. Then they are headed to Phoenix on March 10 at the Phoenix Raceway.

The Major League Baseball regular season starts on March 28. They are playing pre-season games now until opening day.

The Phoenix Suns are in 6th place in the Western Conference with a 34-24 record. The NBA playoffs start April 20. The Suns are doing well and should make the playoffs.

The Arizona Coyotes are in 7th place in the Central Division in the Western Conference with a 23-20 record. The Vegas Golden Knights are in 2nd place in the Pacific Division in the Western Conference with a Record of 32-19. The NHL playoffs start on April 22.

As always, you can watch your favorite sporting events at The Fisherman's Landing Bar. Until the next issue, keep watching sports, my friends.

MEADVIEW VOTERS!

{Paid for by Don Martin}

Have you noticed that since the campaign for District 4 Mohave County Supervisor started with 9 candidates; you are starting to see a few of them here asking for your vote?

Here are some questions you might want to ask them.

How many times have they been to Meadview before this election cycle? (Ghost candidates?)

How many local events have they participated in the past few years? What have they done personally to improve the Meadview community including South Cove?

Don Martin is a U.S. Army veteran 1969-1972. Member of American Legion Post #103 Meadview. Don is a retired police officer and supports law enforcement. He is a member of the Fraternal Order of Police Lodge 16 Kingman.

Don has been a homeowner in Meadview for 10+ years! Don has worked with the National Park Service continuously for 20+ years to keep South Cove open.

In the summer of 2023, Don and two friends, Becky Foster and Page McDonald along with two members from the Meadview Community, Chuck and Pam Steffen removed trees and debris from South Cove Point for three days!

Don is a member of the Meadview Chamber of Commerce.

Vote for Don Martin to preserve our heritage, customs and culture of Meadview and Mohave County!
