AUGUST 15, 2025

SPOTLIGHT ON TURNING 105 YEARS OLD IN 2025

In honor of Lucille Sunde's 105th trip around the sun on August 4, we are putting the spotlight on what it means to reach 105 years old in 2025. By making it to 105, Lucille has become a member of a very exclusive group of people. As of 2021, the number of 105 year-old people living in the United States is estimated to be around 6,000. Living to be 105 has also given Lucille the distinction of being the longest living person in the recorded history of Meadview.

Lucille made her debut at the beginning of the Roaring Twenties, which also marked the beginning of Prohibition with passage of the 18th Amendment that wasn't repealed until 1933. For the first nine years, she lived in flourishing times with high employment and people living lavishly. And then BOOM, the Great Depression hit in 1929. This cycle of good times/bad times has been repeated many times in 105 years.

Woodrow Wilson was President when Lucille was born. Since then, there have been 19 different Presidents serving in 26 terms. By the way, in Lucille's birth year of 1920, women were first granted the right to vote when the 19th Amendment was ratified on August 18. Her comment about this was "I guess my fate was cast."

Lucille shares the 105 year mark with Good Humor Ice Cream Bars, Band-aids and Baby Ruth Candy Bars. The first automobiles were quite expensive and only the very wealthy owned cars. In 1918, only one family in 13 owned an automobile. However, in 1920 Henry Ford was able to produce the Ford Model T that sold for \$310 making car ownership more affordable. Lucille continued to drive in Meadview until she was 100 years old.

WWII brought dramatic change when women were called upon to work in factories replacing the men who went off to war. The term Rosie the Riveter was created to describe these new factory workers who worked assembly lines to supply items needed to fight the war. And our own Lucille was one of these "essential" workers of those times. At one time she also worked as a Hostess for Bullocks-Wilshire, a job more fitting of the very gracious Lucille than Rosie the Riveter.

Being a very happy person has carried Lucille through some tough times such as when her house here in Meadview burned on her birthday while she was fishing in the Utah mountains. Happiness and attitude also helped in her recovery from a broken hip shortly before her 100th birthday. She fought hard to recover in time to attend many parties in her honor. And COVID-19 didn't hold her down. Lucille's strength is amazing. Through Lucille's Meadview life, she has been a very active member of the Community. She was responsible for opening up King Tut to Pierce Ferry Road, was President of Quail, President of CFIC, Vice President of COM, a member of DAR and the Over-The-Hill Hikers later known as The Explorers.

Dearest Lucille, we hope you had a wonderful birthday. Here's to 105 and counting.

ANTHONY'S SPORTS CORNER

NFL is back. The Arizona Cardinals won the first pre-season game against the Kansas City Chiefs 20-17. The Cardinals play the Green Bay Packers in pre-season week 2. They looked good this past weekend and, hopefully, they will keep it going.

College football opening weekend is August 23. Texas is already ranked #1 before the start of the season. We will see if that stays once the season starts.

The Arizona Diamondbacks are in 4th place in the NL West Division with a Record of 57-61. The LA Dodgers are in first place in the NL West Division with a record of 68-50. The Atlanta Braves are in 4th place in the NL East Division with a 51-67 record. The Chicago Cubs are in 2nd place in the NL Central Division with a record of 67-50. The Toronto Blue Jays are in 1st place in the AL East Division with a 69-50 record. The NY Yankees are in 3rd place in the AL East Division with a record of 62-56. The Detroit Tigers are in 1st place in the AL Central Division with a record of 68-51. The Houston Astros are in 1st place in the NL West Division with a 66-56 record. There is still a lot of season to go and these standings can change tomorrow.

NASCAR will race in Richmond, Virginia at The Richmond Raceway on August 16. Then, they travel to Daytona, Florida to race at the Daytona International Speedway on August 23. The NASCAR Cup Playoffs start August 31 at The Darlington Raceway in Darlington, South Carolina.

In the WNBA, the Indiana Fever is in 3rd place in the Eastern Conference with a record of 18-14. The Phoenix Mercury is in 2nd place in Western Conference with a record of 19-12. The WNBA playoffs start on Sunday, September 14.

As Always, you can watch your favorite Sports Event at Anthony's Fisherman's Landing Bar. Until the next issue, my friends, keep watching sports.

JOSHUA VALLEY UTILITY
By Ron Raymond

We recently had a pipe break that drained the entire 125,000 gallon tank. I did not find out about it until a little after 4:00 am. **PLEASE** call if you notice your water pressure low and you think it's not normal. We would much rather get up in the middle of the night than lose all the water in the system. We had a few last summer where someone didn't have water, but didn't want to bother anyone that late at night. We rely on our customers to let us know about leaks. It is kind of an outdated way of doing it, but it is the way it has been done for years.

We are working on a more modern way of letting us know conditions in the system, but that will take some time. So **PLEASE, PLEASE, PLEASE** call if you have no water or your pressure seems lower than normal. Do not worry if it's the middle of the night.

The number to reach the after hours service is (520) 624-1460., My number is (928) 715-4594.

COUNTY CORNER

By Jeanne Kentch
Mohave County Assessor

Hello Mohave County. This month's County Corner will be focusing on growth in Mohave County. I thought it would be interesting to compare improvements from 20 years ago to today.

Let's start with Single Family Residences (SFR's).

In 2005 Mohave County had 48,758 SFR's.

In 2015 Mohave County had 61,485 SFR's.

In 2020 Mohave County had 66,128 SFR's.

Today Mohave County has 75,393 SFR's

This growth equals to a **55% increase** of Single-Family Residences in Mohave County in the last 20 years.

Now let's move to Multi Family Residences (MFR's)

In 2005 Mohave County had 1,186 MFR's.

In 2015 Mohave County had 1,320 MFR's.

In 2020 Mohave County had 1,401 MFR's.

Today Mohave County has 1,846 MFR's.

This equals to a **56% increase** of Multi-Family Residences in Mohave County in the last 20 years.

Moving on to Commercial improvements (this number excludes Restaurants).

In 2005 Mohave County had 4,205 Commercial improvements.

In 2015 Mohave County had 5,308 Commercial improvements.

In 2020 Mohave County had 6,106 Commercial improvements.

Today Mohave County has 11,602 Commercial improvements.

This Commercial growth is fantastic at **176% increase** since 2005.

Restaurant growth (numbers below do not reflect fast foods).

In 2005 Mohave County had 122 Restaurants.

In 2015 Mohave County had 146 Restaurants.

In 2020 Mohave County had 189 Restaurants.

Today Mohave County has 189 Restaurants.

Restaurants have **increased by 55%**

These numbers tell a story about the growth of Mohave County. Your taxes are calculated by all property owners paying for a slice of the Mohave County pie, the more taxpayers that come to our county the smaller your slice of the pie. Thus, these numbers are very promising. Growth is always good for us when it comes to property taxes. When there are more people fighting for that slice of pie, it costs less.

Before I sign off, I want to remind you that September 1 is the deadline to apply for the Senior Property Valuation Protection Program (We call the Senior Freeze). Visit or call one of our Assessors offices today: Kingman (928)753-0703, LHC (928)453-0702, BHC (928)758-0701.

EDUCATIONAL SUPPORT FOR THE YOUTH OF MEADVIEW

By Lynn Wright

Meadview is growing. With new families moving in, the residents now have a choice to make. Whether to embrace this historic opportunity (now made possible with President Trump resurrecting the Republic) of returning education to the states and the people...or turning their backs on the growing need to aid the school age children in our area. We need schooling here in Meadview.

Concerned resident Judyrose is looking for your help and/or your input regarding the creation of an educational facility in our area. Her vision: In person, adult support and tutoring for our local youth, coaching for the on-line programs and hands-on with books and pencils, arts and sciences. She heavily supports the basics; reading, writing and math and believes in promoting respect and responsibility and community involvement.

Please contact her at 970 234-4776 with your ideas.
